Usage Method

For an optimal **Suns** experience, it's recommended to keep the pouch in place for about 15-20 minutes. During this time, you'll gradually feel the rich flavors and nicotine satisfaction. After use, safely dispose of the pouch in a responsible manner. With **Suns**, there's no need to find a designated area for smoking, making it an excellent choice for those who value convenience and discretion. Whether you're at work, in social settings, or on the go, **Suns** offers a hassle-free way to enjoy tobacco.

Storage Method

To maximize the longevity of your **Suns** smokeless tobacco, consider storing it in a refrigerator. This will not only maintain the flavor but also extend the shelf life. Always check the expiration date on the packaging to ensure that you're using fresh products. By taking these precautions, you can enjoy your favorite **Suns** flavors for an extended period.
